Defending Kg Kerinchi Traders

Tues, 9 Oct - After being threatened numerous times by DBKL with eviction, the traders of the pasar malam in Kg Kerinchi requested the assistance of YB Nurul Izzah. She then invited them, along with YB Tian Chua (MP for Batu) and YB Lim Lip Eng (MP for Segambut) to meet with the KL Mayor, to get clear answers as to the future of this bi-weekly night market.

Unfortunately, the KL Mayor was not available for this meet, for unknown reasons.

Even so, a few days after this, news was received that the traders have been allowed to relocate to Vista Angkasa, across from their old location and next to the Universiti LRT station.

Congratulations to all who have fought for and defended the Kg Kerinchi traders!

Compensation for Traders

Fri, 12 Oct - After a long and tough battle to be compensated for the loss of their shoplots in Block L of Flat PKNS 4 Tingkat Kg Kerinchi, a group of 9 traders received some monetary compensation from PKNS even though it is not actually the developer for this redevelopment project.

It is hope that with this small token, it would ease the burden of these traders in their efforts to rebuild their businesses.

"Where is our money going?"

Sun, 14 Oct - Over 150 people (and in fact 50 more were turned away) attended a very exciting session to discuss the Budget 2013 and Pakatan Rakyat's alternative budget, held at Hailam Kopitiam, Lucky Garden, Bangsar.

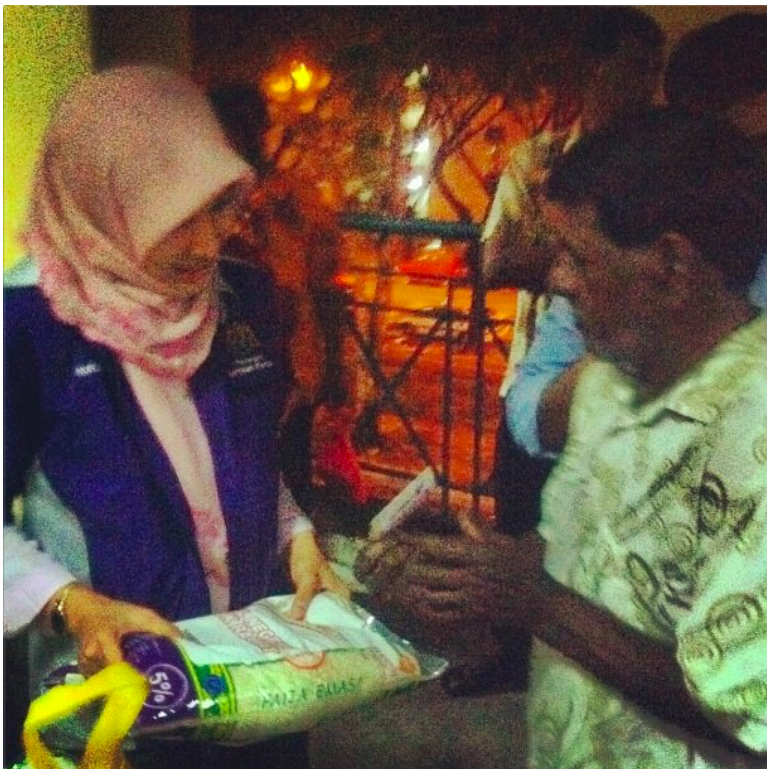

In this two-and-a-half hour program, numerous topics were discussed including the mountainous public debt (estimated at RM502b come 2013, with approximately RM116b in contingent liabilities), the implementation of GST should BN win 13GE, as well as the economic promises and policies of Pakatan Rakyat should (or, as some attendees put it, when) it takes over Putrajaya.

Listening to the People

Sun, 14 Oct - YB Nurul Izzah attended a small gathering of concerned residents at the OUG Industrial Park, Jalan 2/152, to hear their complaints and grouses with regards an upcoming development project which has left them without an important access road. In this session, some 15 residents had gathered to urge YB Nurul Izzah to bring this matter to the attention of the media, in the hopes that it will pressure the developer to open up again that access road.

Pre-Deepavali Contributions

Sat, 13 Oct - YB Nurul Izzah today presented contributions to 81 residents of Taman Seri Sentosa who will be celebrating Deepavali soon. These contributions, in the form of perishable

goods like rice and other items, is hoped to be able to help them with their preparations.
